## Symbiosis School Song

Oh come let 's sing of  
Symbiosis Sing till the rafters  
ring  
Oh come let's sing of  
Symbiosis  
Sing till the rafters ring .  
Remembering my alma  
mater,  
Will bring to my mind ,  
The motto engraved on my  
soul  
Onwards towards ever better,  
Upwards to God ever closer ,

With all a living symbol ; Of  
unity in diversity  
The world turns a smaller  
place.  
Filled with beauty and grace  
Knowledge and truth prevail ;  
And if ever we fail ,  
We will always remember  
Onwards towards ever better,  
Upwards to God ever closer ,  
Onwards towards ever better,  
Upwards to God ever closer ,  
Life is ever changing

Symbiosis stands for oneness  
And it is challenging ,  
Let's Live for one another ,  
Let's stand as one together,  
But when Naidu and Tagore  
Keller and Raman  
Guide our paths wherever  
Always and forever  
Onwards towards ever better ,  
Upwards to God ever closer ,  
Onwards towards ever better ,  
Upwards to God ever closer ....

## TO MY GROWN -UP CHILD

**-By Alice Chase**

My hands were busy through the day,  
I didn't have much time to play  
The little games you asked me to,  
I didn't have much time for you.

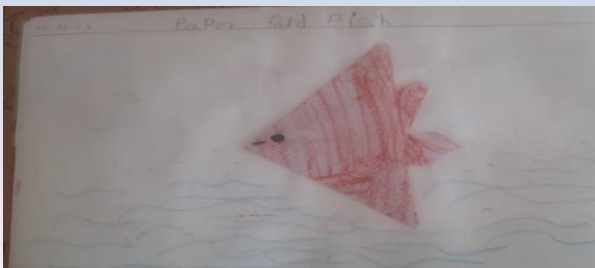

I'd tuck you in all safe at night,  
And hear your prayers, turn out the light,  
Then tiptoe softly to the door,  
I wish I'd stayed a minute more.

The picture books are put away,  
There are no children's games to play,  
No goodnight kiss, no prayers to hear,  
That all belongs to yesteryear.

I'd wash your clothes; I'd sew and cook,  
But when you'd bring your picture book  
And ask me, please, to share your fun,  
I'd say, "A little later, son."

For life is short, and years rush past,  
A little boy grows up so fast,  
No longer is he at your side,  
His precious secrets to confide.

My hands once busy, now lie still,  
The days are long and hard to fill,  
I wish I might go back and do,  
The little things you asked me to.
