***Dear Parents,***

We are highly delighted to present before you the News Letter of Symbiosis School Nashik, from November 2021 to January 2022. This is an effort to brief you about the happenings of the school in the above said months.

It's indeed a great pleasure to know that you all have appreciated and encouraged our efforts during this pandemic situation and have stood by us throughout so that we could stay connected with our students and successfully impart knowledge to them. It's a proud moment to make you all aware of the activities and achievements of your wards in the school.

The most important day in the history of Symbiosis is **January 26**, that is the **Foundation Day of Symbiosis**. The school celebrated this day by conducting various in house activities for the students that were conducted online and the school was decorated using these beautiful adornments.

This was celebrated virtually and the pictures were uploaded on social media.
