PROUD MOMENTS FOR SYMBI FAMILY

It is indeed a memorable and proud moment for all Symbians that the book titled '*Me ani Symbiosis*' authored by our fatherly figure *Dr. S. B. Mujumdar Sir* was released at the hands of Shri Chhatrapati Shahu Maharaj, the 12th descendant of Chhatrapati Shivaji Maharaj. The book is an autobiography in the form of short stories. A must-read especially for the younger generation to understand what goes through one's life in creating a successful institution!
