

# SYMBI STARS

Jr. KG Newsletter - Issue 1, September 2023

Dear Parents,

Welcome to another year of fun and learning at Symbi Stars !!

The National Education Policy 2020 has brought to light the remarkable ways through which children learn, namely- choice, wonder and joy.

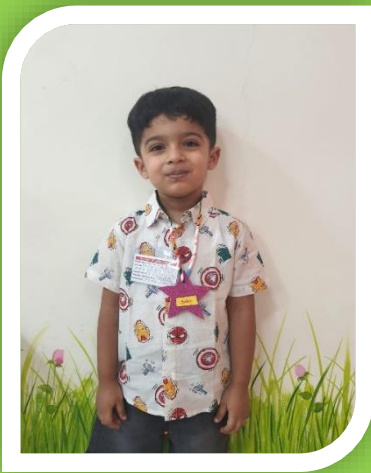

Our teachers engage the children keeping these important guidelines in mind !

We are sharing a few glimpses of these moments with you all in our 1st issue of the SYMBI STARS Newsletter- 2023-24.

Thank you.

Rashmi Kanakia  
Headmistress

# First Day of The School

Sharing a smiley with our new classmates and wearing a star necklace as a token of appreciation is what made our first day in JR. KG. memorable.

# Doctor's Day Celebration

## Doctor's Day Celebration

We enjoyed playing  
the role of a  
PATIENT as our  
teachers became  
DOCTORS for the  
day!!

## Me and My Amazing Body

We learned more about  
our amazing body  
through many fun  
activities in class!!

# Palakhi Celebration

# Yoga Day

# Sensory Station

Our teacher's lined up so many sense stations for us today !  
What an EXCELLENT exploration activity for the Jr.KG class children!

# Sensory Station

# My House

We made our own house using different shapes

# Igloo Bit Pasting

# Patchwork House

Culmination of the theme- Houses & Homes

Excellent participation !!

# Culmination Day

We are soooo happy to have such enthusiastic parents!!

# Culmination Day

# Culmination Day

Children were so excited to show and talk about their house to their teachers and friends!! This involvement of parents made our Culmination Day meaningful.

# Independence Day

Along with the classroom activities our JR. KG. singers participated in the School Assembly.
