Sr. KG Newsletter - Issue 1, August 2023

Dear Parents,

Welcome to another year of fun and learning at Symbi Stars !!

The National Education Policy 2020 has brought to light the remarkable ways through which children learn, namely- choice, wonder and joy.

Our teachers engage the children keeping these important guidelines in mind !

We are sharing a few glimpses of these moments with you all in our 1st issue of the SYMBI STARS Newsletter- 2023-24.

Thank you.
